

Center for Extended Learning (CEL)

The mission of the Center for Extended Learning (CEL) is to provide flexible, accessible, and quality lifelong learning opportunities. To serve this mission, CEL offers courses in a variety of locations and in a range of formats that meet the needs of today's learners.

Courses for university credit can be taken online, by video conferencing, at the Minot Air Force Base, and in Bismarck, Fargo, and at other outreach sites within North Dakota. In addition, CEL provides College for Kids camps, community and professional seminars, and education workshops for teachers throughout North Dakota and surrounding states. Non-credit activities may also be offered in a wide variety of interest areas to meet the needs of the local community.

Registration for CEL Credit Activities

Registration for CEL credit activities must be completed via Campus Connection. Campus Connection allows you to choose courses offered by several delivery methods. When registering for a course, review the Instruction Mode for delivery options. Courses not listed as On Campus Face to Face or Hybrid/Blended are distance education courses offered by CEL.

Immunization Waiver

A student who enrolls in only distance education courses (online, independent study, or off-campus sites) may be exempt from submitting proof of Measles, Mumps, and Rubella (MMR) and meningococcal immunization for admission to Minot State. A student immunization waiver request (<https://www.minotstateu.edu/health/immunization.shtml/#exemption>) must be completed to grant an exemption. Students who choose to attend campus at a later time will be required to submit proof of MMR immunization.

Online Courses

Minot State University is dedicated to the development of quality, flexible, online education. Online courses allow students to receive undergraduate education in the convenience of their home, office, or school. These courses reflect the same rigorous academic standards that apply to the University's traditional programs. A current listing of online programs is available on the Minot State Online website (<https://www.minotstateu.edu/online/degrees.shtml/>).

Out of State Students

Minot State is a National Council for State Authorization Reciprocity Agreements (NC-SARA) institution. This allows Minot State to offer online programs to residents in other SARA states. If you reside outside of North Dakota and would like to take online courses from Minot State, please visit the State Authorization (https://www.minotstateu.edu/online/pages/state_authorization.shtml/) page for information on programs available in your area.

Federal law also requires Minot State to provide notifications regarding whether or not our programs lead to licensure in the states where our students are located. For information on programs leading to licensure outside of North Dakota, please visit the State Authorization and Licensure (<https://www.minotstateu.edu/licensure/index.shtml/>) page for more information.

Students with complaints should follow the procedure outlined on the MSU Online Complaint Procedure webpage (https://www.minotstateu.edu/online/pages/complaint_procedure.shtml/).

Minot Air Force Base (MAFB)

CEL-sponsored classes and degree programs are available to military personnel, their dependents, and civilians at the Minot Air Force Base (MAFB) in the Francis X. Deignan Building and on the Minot State campus. The University provides a coordinator at the MAFB to assist Air Force personnel with advising, selecting courses, tuition assistance, and registration. Students may register for MAFB classes via Campus Connection (<http://www.minotstateu.edu/cc/>).

Prior to enrollment, eligible service members must receive approval from their ESO, military counselor, or military service.

Computer Literacy Requirement

According to the Department of Defense directive 1322.8, all students completing a degree on the Minot Air Force Base must do one of the following: 1) successfully complete an introduction to computer science course as one of their program electives, or 2) present evidence (credential, transcript, etc.) that computer literacy has been obtained.

Drop and Withdrawals—Military

All military members using tuition assistance who wish to drop courses or withdraw from the semester must complete the appropriate drop/withdrawal procedures with Minot State **and** visit with the Education Center to adjust their tuition assistance account. Failure to follow the drop/withdrawal procedures will result in a failing grade for each course for which the student has enrolled.

For more information, please visit the CEL website (<http://www.minotstateu.edu/cel/mafb.shtml>).

Bismarck

Minot State makes it convenient to earn your degree from a four-year public university without having to leave the Bismarck/Mandan area by attending classes on the BSC campus. Let us show you all of the opportunities for hands-on learning, research, and added benefits of low student to faculty ratios. Alternatively, many classes in these degree programs can be taken online.

Fargo

Minot State University's Social Work department and North Dakota State University's Human Development and Family Science (HDFS) department offer a collaborative degree program. Students earn an HDFS degree from NDSU (Family Science option) and a BSW in Social Work from Minot State University at the same time. Students must be accepted into NDSU and enrolled in the HDFS program in order to take Minot State Social Work courses at NDSU. Almost all Social Work courses are delivered on the NDSU campus in a face-to-face, format with a few select courses that may be taken online.
