Peer Tutoring Program

MinotStateU.edu/tutoring

The Peer Tutoring Program is aimed at providing students with the essential learning tools and resources integral to their academic success. The ASC Peer Tutoring Program seeks to empower the students being served in their pursuit of becoming independent learners. All peer tutors hired by the ASC receive training and have been highly successful in the courses they tutor.

Peer Review Sessions

Peer Review Sessions are regularly-scheduled, informal review sessions in which students learn how to integrate course content and study skills while working with other students. The sessions are facilitated by peer leaders. Students have the opportunity to develop proper study skills, compare notes, discuss lessons, and go beyond the lectures to focus on content relevancy.
