## College of Education and Health Sciences Mission

The College of Education and Health Sciences prepares quality professionals and pre-professionals in education, human services, and health sciences to meet the needs of others within a changing society.

## College of Education and Health Sciences Vision

The College of Education and Health Sciences will maintain a regional, national, and international reputation as a college:

- With graduates whose standards of performance are sought after by employers
- With faculty who are sought after for their expertise as scholars and teachers and for their contributions to the community
- With first class facilities including state-of-the-art technology and equipment

## Organization

The College consists of five departments. In addition, the Assistant Vice President of Academic Affairs serves as the head of the Teacher Education Unit which has programs from all three colleges on campus.
